FORM FOLLOWS DATA - DATA VISUALIZATION & VISUAL CULTURE

gps diary 29 november 2005

an online archive of geographical maps showing the daily movements of an artist over the course of a year by carrying a Global Positioning System (GPS) receiver. the various maps display each days' trajectory individually & hence follow the artists' daily routine & movements. see also [gps drawing](#). [[gpsdiary.org](#)] via [rhizome.org](#)

[aesthetic & locative](#) . [comments \(0\)](#)
